

GALS Gazette 2016 President's Message

Welcome to the 37th year of Santa Cruz Girls Athletic League of Softball. Please visit us at santaCruzgals.org

There are some changes for the 2016 season.

First, we are opening the league to girls currently in first grade! Please spread the word to friends who have a first-grader who is interested in playing softball.

Second, pictures will take place during the first week of games (June 13). There will be NO makeups this year. More information will come once teams have been assembled.

WE NEED HELP!

GALS must have parent participation to ensure the summer league continues for the girls. This year, coaches and assistants are needed for all teams in all divisions. Also, help is needed on the Board of Directors! The league needs a secretary, a sponsor coordinator, an equipment manager and three division coordinators.

Not sure how to become involved? Help is needed at the Placement Clinic on April 23rd at Harvey West Park! This is an opportunity to join in and see how you can participate.

Thank you for your support! Have a fun season and I can't wait to see everyone at the barbeque!

Stephen Cramer,
GALS President

Sponsors are a very important part of our league's success. Sponsorship is only \$300 per team and your business name is worn on the front of the GALS uniforms. GALS will make every effort to place your daughter on the team that you sponsor. Any questions, please call 476-6490.

THANK YOU
to all who can help sponsor a team!

All proceeds from the GALS snack bar provides the funding for the GALS softball program. The GALS snack bar is located between fields 2 and 3. Staffing is provided by the VISITING TEAM. Only one person per game, NO splitting the shift! Your team parent will ask you to sign up to work an entire game. For liability reasons, children under the age of 16 are not allowed in the snack bar. Thank you.
